

Arkansas Passport Acceptance Facility List

Need to find an Arkansas [passport office](#) near you? The list of application acceptance facilities below is organized in alphabetical order by city. If you are unable to locate an office where you reside, search in a city nearby. Many application acceptance facilities maintain specific hours of operation and/or require applicants to schedule an appointment before visiting. It is recommended that you call the passport office before visiting.

You should not sign the [New Passport Application Form DS-11](#) until the agent asks you to. Choose either standard processing in four to six weeks or expedited service in two to three weeks when applying at any Arkansas acceptance facility. If you need to get your passport urgently, you either need to set up an appointment at the [Arkansas Passport Center in Hot Springs](#) or authorize a registered expeditor to [get your passport in 24 to 48 hours](#).
